

PERK

THE PERKIOMEN SCHOOL

Hello PERK Parents,

I would like to introduce myself to you. My name is Tom Calvario and I am **PERK**'s new Head Football Coach and also Head of Security for the school.

More Players

I want to get more students involved with the football team and would love to have your son participate in this very unique sport.

Life Lessons

I believe football has taught me many life lessons – in fact I'm still learning as a coach. Your son will learn about developing a relentless work ethic, nurturing a competitive spirit, putting others before yourself, humility, and an appreciation of team work.

I would love to have the opportunity to be able to coach your son. I will teach him the game of football and he will learn life lessons that will last a lifetime.

One of my former players always asked me, “Coach, why do we have to hit the sled every day?” My answer was simple “It teaches you self discipline. No matter hard things may be or get, you will find a way to deal with the situation at hand.

Join the Fun

Please encourage your son to come out for the football team. It's a guarantee he will have fun, enjoy being on the **TEAM**, learn valuable life lessons and hopefully win some games.

Best regards,

Coach Calvario
