

Perkiomen School

WINTER - RETURN TO COMPETITION PROTOCOLS, November 9, 2020

GENERAL FOR ALL SPORTS:

Note: Virtual Learning students coming to afternoon activities must complete the Magnus Health screening in the morning and check in to the Student Life Office immediately upon arrival to campus.

- Continue to follow Sport Workout Protocols for Return to School regarding illness, social distancing, face coverings, equipment sanitation, personal water bottles, locker room usage, etc.
- Communicate in advance with opponent schools, officials, and college coaches regarding procedures, policies and guidelines including parking, equipment to bring, medical supplies, hydration, bench areas, emergency action plans (opponent school or club policy submitted to Perkiomen upon scheduling), game day paperwork (complete roster of all visiting individuals to be exchanged electronically between schools)
- Follow maximum capacity guidelines for the exhibition gymnasium is set at 60
- Interscholastic game competition is voluntary and at the discretion of student athletes and their parents; parental acknowledgment form must be submitted to Director of Athletics prior to the first game
- No non-essential visitors should be present at games (games will be live-streamed)
- Pre-game and post-game ceremonies should be altered to conform to all guidelines
- Limit personnel at the officials' table and maintain distancing; provide hand sanitizer
- Visiting teams should proceed directly to the playing field or athletic center gym immediately upon arrival
- Port-a-pots will be provided at field sites – social distancing and masking protocols observed
- Restrooms will be designated for Perkiomen and visiting teams for indoor events – social distancing, masking, and room capacity protocols observed
- Open doors for ventilation, turn on fans (all indoor athletic spaces except for the pool) for five (5) minutes at intervals of 30-minutes to provide air exchange (athletes leave the space)
- COVID-19 Screening:
 - Departing Perkiomen students and coaches: conduct a pre-departure COVID-19 screening for traveling Perkiomen teams, including temperature checks
 - Visiting Opponent students and coaches: upon arrival to the field/gym, conduct a COVID-19 screening, including temperature checks

In the case that any participant becomes ill:

- Isolate anyone that is sick
- If Perkiomen student or coach: notify health center and Dash Force – dashforce@perkiomen.org
- If Visiting student or coach: individuals should go home or to a healthcare facility and follow CDC guidelines; notify Dash Force – dashforce@perkiomen.org
- Anyone who has had close contact (within six (6) feet for 15 minutes) with someone with symptoms should be separated and sent home, back to their school, or Perkiomen students to the health center
 - If Perkiomen student or coach, notify health center and Dash Force – dashforce@perkiomen.org
 - If Visiting student or coach, notify Dash Force – dashforce@perkiomen.org
- Close off areas used by a sick person and do not use until after cleaning and disinfecting (including outdoor area surfaces, and shared objects or equipment)
- If someone on any roster should become ill within 48 hours of the game, all notification procedures outlined above should be followed
- Return to play based on school health department guidelines

Perkiomen School

WINTER - RETURN TO COMPETITION - BASKETBALL

At Home:

- Athletic center will be cleared of practicing teams or students at least ½ hour prior to game time
- Use of locker rooms will not be permitted; restrooms are available for single-use for changing
- Perkiomen players will have an individual water bottle, numbered towel, and face mask which will be stored in their own bag on the bench seats
- Bench seats will be spaced six (6) feet apart on all sides in two separate rows
- Perkiomen will provide extra disposable masks for the opposing team in the event they haven't provided enough
- Use two scorer's tables so clock operators and scorekeepers are socially distanced
- Use cleaning solution mid-game during timeouts or stoppages of play and have multiple balls ready to use throughout the game
- Sanitize areas on the floor where players fall and the floor needs to be wiped
- Utilize 30-minute air flow exchanges: just prior to the game for five (5) minutes, and during half-time

On the Road:

- Two managers will travel with the team on the bus (one for the scorebook and one to film)
- All players, managers, coaches will do temperature checks prior to boarding the bus to depart
- The team will take its own towels, balls, cases of water
- The team will take hand sanitizer and disinfectant spray to use before, during, and after the game

ALL STANDARD ATHLETIC CENTER POLICIES REMAIN IN EFFECT ALONG WITH THE COVID-19 POLICIES. WE WILL MODIFY AS NEEDED. AT ANY POINT IN TIME.
